

AMMOUSA English IPA & ginger is a beer with a deep cloudy copper color and an intensely complex flavor with aromas of ginger, citrus, melon and watermelon. Aromas that completely flood the palate, causing an intense flavor journey through flowers and fruits and ending with the ideal bitterness of hops. It goes excellently with grilled meat and generally with salty or spicy flavors, rich in seasonings and spices.

AMMOUSA English IPA has been distinguished and awarded in seventeen (17) competitions, in the last five years.
